Report of Principal and School Improvement Council

Our vision at Greenbrier Elementary is to provide a high quality educational program that connects each child with a successful future. Our mission is to develop confident, lifelong learners by creating a safe, positive, and inviting environment that engages students, celebrates individual differences, and allows students to reach their potential.

At Greenbrier Elementary, we believe student and adult learning is at the center of improvement; high expectations drive behavior and performance; a safe and secure environment supports learning; curriculum, instruction, and assessment work together toward meeting academic goals; a culture of collaborative learning is paramount; and, parents, community, and volunteers should be welcomed and utilized.

In 2008-2009, Greenbrier Elementary set the tone for a successful year of learning by focusing on the whole child—academic, personal, physical, and social development. Students participated in programs and activities to support community initiatives such as the March of Dimes, Golden Strip Emergency Relief Agency, and American Diabetes Association. Students also participated in school-wide projects, which included creating a vegetable garden and an outdoor learning patio. Our character education program, SOAR, has been instrumental in promoting student leaders in our school community. Additionally, Greenbrier Elementary initiated a peer-to-peer conflict resolution program entitled “Fuss Busters.” We were one of only two elementary schools in the district to begin such a program this year.

The staff at Greenbrier Elementary is truly comprised of talented, caring, and knowledgeable educators, who focus on a set of instructional practices that creates optimum learning experiences by which all students learn. All teachers receive on-site professional development training that includes district initiatives, technology integration using Promethean Boards and ActivSlates, and best instructional practices. Recognizing that students learn in different ways, teachers use a variety of instructional strategies to address the different learning styles of students. Moreover, teachers work together as a team. We have created vertical teams that meet on a monthly basis to ensure a continuum of learning.

Parents, too, play a vital role at Greenbrier. They partner with teachers in numerous ways, including working one-on-one with individual students and small groups, assisting in the preparation of support materials, chaperoning field trips, and presenting to classes. Our community is also supportive of our efforts. This year, our SIC was instrumental in initiating a literacy closet to support reading efforts in the home.

We appreciate the contributions and support of our PTA, School Improvement Council, parents, guardians, volunteers, and business partners. We look forward to opportunities that lie ahead for our students and our school as we continue to strive for excellence!

For information about our school, please contact our principal, Mrs. Nicky Andrews, or Mr. David Griffith, our SIC Chairperson.
